**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to point out that "competition" is a mantra of the administration and presumably your commission. Please allow consumers maximum choice in selecting internet providers. Pricing and services should be competitive...that means not reducing competition to the biggest and most powerful players. All Goliaths should be aware that there are David's out there.

It's as simple as that.
